My Last River *By Liana Joy Christensen*

That's my last river up there on the wall
glass gleaming in rank
jars of gourmet salt.

Next, they'll ask me
to dry my tears.

Liana Joy Christensen began writing about Western Australian landscapes as inaugural editor of the journal *Landscape*. Since then her poetry and prose has been published in literary and scientific journals in North America, Taiwan, India and Australia. Locally, she has been published in *Southerly*, *Indigo and Country – Visions of People and Places in Western Australia*. One of the major passion of her life is writing about human connections with plants, animals and places of Australia and beyond. She was an invited poet at the International Conference of the Association for Science, Literature and the Arts in Amsterdam in 2006 and at the Considering Animals Conference in Hobart in 2007.
