**Turbine** *by Renee Schipp*  
*Jurien Bay*

You thought they were fans  
to keep the sheep cool  
and I laughed,  
thinking of their fat  
woolly coats, imagining a world  
where we cared  
that much.

Still,  
the 'fans' stand with  
tall, slim bodies,  
their three arms mirroring the arc  
of a dancer's  
graceful motion.  
Green hill,  
blue sky:-  
a child's landscape,  
an army of tall, white  
toys.

**Renee Pettitt-Schipp** is an award winning teacher of Sustainability, presently teaching English to refugee students on Christmas Island. Renee uses her work to explore the relationship between hope and connection.
