Acknowledgments

Landscapes Issue on "Ecotones as Contact Zones"

Volume 7, Issue 1, 2016

The issue editors, Drew Hubbell and John Ryan, wish to acknowledge the following organisations for their support:

CREATEC Research Centre at Edith Cowan University (ECU, Perth)

"Research Online" based at the ECU Library

School of Arts and Humanities at ECU

Department of English and Cultural Studies at the University of Western Australia

We also thank the scholars, critics and artists who assisted us generously by providing expert knowledge. Your contributions have greatly improved the content of "Ecotones as Contact Zones."

Additionally, both editors wish to express their deepest appreciation to Professor Glen Phillips for his generous spirit, unfailing energy and good will, and boundless intellectual curiosity. The editors have benefited from Glen's amazing store of Western Australian knowledge, and his simple, direct hospitality. We want to publicly thank him for all he has given us.
